

☒ a copy of a postcard indicating that the USPTO received the executed Declaration and Power of Attorney submitted with the filing of the application on September 22, 2003.

### REMARKS

On May 28, the USPTO mailed both a Notice of Missing Parts and a Notice of Incomplete Reply in the above-referenced application. The Notice to File Missing Parts states that the oath or declaration is missing. The Notice of Incomplete Reply states, in essence, that the copy of the executed Declaration and Power of Attorney faxed to the USPTO on January 26, 2004 was not responsive because it did not identify the application by Application Number and Filing Date.

This application included an executed Declaration and Power of Attorney at the time of filing. A copy of this document is enclosed. The executed Declaration and Power of Attorney was received by the USPTO, as evidenced by the enclosed copy of the date-stamped postcard. This Declaration and Power of Attorney properly identifies the filed application, and complies with 37 CFR §1.63. Therefore, Applicant respectfully submits that this application was complete as filed and requests that the Notices of Missing Parts and of Incomplete Reply be withdrawn.

Applicant submits that no fee is due with this response. Nevertheless, the Commissioner is hereby authorized to charge to Deposit Account No. 19-2555 any other fees under 37 C.F.R. §§ 1.16, 1.17 and 1.21 which may be required by this paper, with the exception of the payment of the Issue Fee.

Respectfully submitted,  
Vincent Alan Larsen
